

Honey Grove City Wide Clean up
Scheduled April 22nd – April 29th, located at 200 S. 7th Street.

The City of Honey Grove City Wide Cleanup will begin on Monday April 22, 2019 and end on Monday April 29, 2019. Citizens **inside the city limits** may begin placing debris and “junk” items on the curbside on **Friday April 20th**. **DO NOT PLACE OUT BEFORE THIS DATE.** For curbside pickup, you **MUST** call to put your name on the list at City Hall. If you fail to comply with this request, you may not have your trash picked up and you will be responsible for hauling your own, no matter what the circumstance. Please don't block your poly cart to allow the trash service to collect household garbage. Anyone who is able to haul their own junk, please do so. Due to budget cuts, the man power for the City is minimal. Sanitation Solutions will be delivering Open Top Containers to the City Barn Lot at 200 S. 7th Street Monday morning, April 22nd. The gates will open at 7:00 am and will close at 7:00 pm Monday through Saturday and will open on Sunday 1:00 pm to 5:00 pm. **NOTE: This is for Honey Grove Water Customers ONLY, and you must present a proof of City Residence.**

NOTE: If you currently have junk or brush at your curbside, you can call City Hall for a pickup, but you will be charged a minimum of \$45.00, depending on the size of the load. The junk and brush cannot be placed out this early, and you are responsible to clean this up immediately. This is a health hazard and if it is not cleared, you can be fined.

All citizens wanting junk picked up **MUST** separate all brush from junk, or the pile will **NOT** be picked up. We are asking that you comply with this request. The City takes brush to a separate location and this will simplify the pick up.

Tires, batteries, chemical and fertilizer products and containers, concrete, dead animals, any appliance with Freon and paint will not be picked up or accepted on site. The City asks that all Citizens, Groups and Organizations interested in cleaning our City, to please participate in keeping “Honey Grove Beautiful”. City wide participation depends on the annual clean-up continuing for Honey Grove. Please contact Linda, Cindi or Jaci at City Hall at 903-378-2323 or 903-378-3033, to have your name placed on the list for pick-up, **ONLY** if you are unable or you have no means to haul your own trash.

Rain will cause water to stand and it is a breeding place for mosquitoes and snakes. We urge everyone to make an extra effort to haul your own items and to help us clean up Honey Grove.

Thank you!
